TUITION AND OTHER EXPENSES

The current rates for graduate students can be found at the University’s Cost of Attendance web page.

Application Fees

A nonrefundable application fee must accompany each new application for admission before it will be processed. The application fee for U.S. citizens and permanent residents is $50; for international applicants the fee is $60. Credit card payments may be made with online applications at the Graduate School’s website. After admission, no fee will be assessed for subsequent applications requesting a change of program area, change of degree objective within the program of study, or change of status from non-degree to a degree program. If a student applies but does not enroll within 12 months of the requested entrance date, a new application and an accompanying appropriate fee must be submitted.

Auditing courses

Auditing a course does not affect the rate charged for the course.

Status as an Alabama Resident

The University’s policy on residency can be found in the In-state Residency section of the University Registrar’s website.

Any questions regarding residency should be directed to the Office of the University Registrar, 206 Student Services Center, Box 870134, Tuscaloosa, AL 35487-0134 or (205) 348-2020.

Alabama resident status should not be confused with “residency” requirements for completion of doctoral degrees. Please refer to those degrees’ respective sections of the Catalog for information on residency requirements for degree purposes.
