Traditional Class A Program
The department offers a traditional Class A program for those with an appropriate prerequisite certification in Elementary Education (or an approved equivalent). This program leads to Alabama Class A certification in Elementary Education (K-6).

Alternative Class A Program (Nontraditional, Initial Teacher Certification)
The department offers an Alternative Class A program that does not require prior certification in a teaching field. This program leads to Alabama Class A certification in Elementary Education (K-6) and Early Childhood (P-3) and is designed to allow individuals with undergraduate degrees in non-teaching fields to enter the field of education.

The Graduate Catalog is published annually. State-approved program checklists may be updated more frequently and are thus likely to provide the most up-to-date information about requirements. Students should consult their advisors each semester before registering.

Admissions
Admission requirements for the Graduate School (Admission Criteria) and the College of Education (General Admission) are detailed in this catalog. Admission to the Graduate School is not equivalent to "unconditional admission" to a state-approved educator preparation program.

A composite GRE score of 300 or better is required for all candidates, irrespective of degree program, who are seeking an appointment as a college-sponsored Graduate Assistant.

See the Admission Criteria section of this catalog for more information.

Admission Requirements for Traditional Class A Elementary (K-6) Certification
The traditional Class A certification program accepts applications on a rolling basis.

In addition to meeting admission requirements for the Graduate School and the College of Education, applicants must hold appropriate prerequisite certification in Elementary Education (or an approved equivalent).

Also, applicants to a College of Education program that leads to professional certification must submit references from current and former professors and/or supervisory personnel knowledgeable of the applicant's academic and professional capabilities. (Three recommendations are required.)

Applicants must complete the requirement for fingerprinting/background clearance.

Admission Requirements for Alternative Class A Elementary (K-6) certification and Early Childhood (P-3) (Nontraditional, Initial Teacher Certification Program)
Applications are accepted on a rolling basis.

To be considered for admission to the Alternative Class A (non-traditional) program in elementary education, applicants must meet the following requirements:

- Transcript evaluation: Applicants should contact the Office of Student Services & Certification for a transcript evaluation to determine prerequisite courses. [NOTE: Coursework and/or a degree from institutions outside the United States shall be substantiated by an evaluation of the foreign credentials through a foreign credential evaluation service recognized by the Alabama State Department of Education. Contact the College's Office of Student Services and Certification for more information.]

- Degree requirement: An appropriate bachelor's degree from a regionally accredited institution with a minimum overall GPA of 2.50 OR a master's degree with a GPA of at least 3.0 is required.

- General Studies and Teaching Field: For Alternative Class A in Elementary, applicants must have completed 12 credit hours of English Language Arts and earn passing scores on all subtests of Praxis 5901—Elementary Education: Three Subject Bundle.

- Three recommendations: An applicant to a College of Education program that leads to professional certification must submit references from current and former professors and/or supervisory personnel knowledgeable of the applicant's academic and professional capabilities. Applicants must also meet the fingerprinting requirement for background clearance.

Admission Requirements for the Non-Certification Overseas Program for Elementary Education, MA
Applications are accepted on a rolling basis.

The following are required for the Non-Certification Overseas Program for Elementary Education, MA

- An undergraduate grade point average (GPA) of 3.0 on a 4.0 scale, a 3.0 GPA for the last 60 semester hours in a degree program, or a 3.0 or higher GPA in a completed graduate degree program.

Application Requirements:

- Submit a degree-seeking application online at https://graduate.ua.edu/prospective-students/apply-now/;

- Submit official, certified transcripts and degree certificates/diplomas in the native language with official, literal, word-for-word English translations directly from the issuing institution to the Graduate School. Documents must bear original signatures and seals of the issuing institution. Notarized documents are not accepted.

- Submit a statement of purpose and three letters of recommendation in the application system.

Curricular Requirements
Curriculum Requirements for Traditional Class A Elementary Education (K-6)
This course listing applies to those who begin this program June 1, 2019, or thereafter. Candidates earning graduate credit prior to this date may elect to utilize this program. A minimum of 30 hrs of course credit must be earned, and a comprehensive assessment must be successfully completed. An extensive professional portfolio, to be completed by candidates, will be used as a comprehensive assessment in lieu of a comprehensive exam. Candidates must present a GPA of at least 3.25 on all courses in the program, with no grade below a C.

Curriculum Requirements for Non-Certification Overseas Program for Elementary Education, MA

This is a non-certification program offered only to overseas students. Completion of this program does not lead to professional educator licensure or certification.

A minimum of 30 hours of course credit must be earned, and a comprehensive assessment must be successfully completed. Candidates must present a GPA of at least 3.25 on all courses in the program, with no grade below a C.

Non-Certification Overseas Program for Elementary Education, MA

Group I: Elementary Education Courses

AREA 1. Required Courses. Students select ONE course from the following:

Footnotes

* Approved diversity course

1 The early childhood placement will include at least two of the following age groups: birth-age 3, age 3-5, and age 5-8. The elementary placement(s) will include upper and lower grades unless substantial field experiences are completed at both levels.
Fieldwork/Practicum/Internship Requirements

CLINICAL PLACEMENTS

All Class A and Alternative Class A programs require extensive field experiences in diverse settings. The majority of field experiences must occur in P-12 schools, and at least half of the field experiences shall be in the candidate’s teaching field. These placements are in the greater Tuscaloosa area (with the exception of distance learning) in order to facilitate supervision of students. For Early Childhood programs, field experiences shall include placements in at least two of the three main types of early education settings: P-3 classrooms, child care centers and homes, and Office of School Readiness programs. On-campus practicum experiences may include the Children’s Program, the Rural Infant Stimulation Environment (RISE) Program, and Early Intervention at The University of Alabama (El@UA). These programs provide opportunities for students to work with infants, toddlers, pre-K children, and their families. With approval, individuals who are employed in positions appropriate to the area of their current program may complete field experiences on the job, but those experiences must be planned with specific purposes and assessment.

All clinical placements in the College of Education relating to educator preparation are coordinated through the Office of Clinical Experiences.

Students enrolled in College of Education courses that require a clinical placement should obtain professional liability insurance. Professional liability insurance may be purchased through an independent insurer or is available to students who are members of the Student Alabama Education Association (SAEA).

Traditional Class A Elementary Education (K-6)

Fifteen (15) advanced clinical placement hours are required in an elementary school placement, which is most often the classroom in which the graduate student is employed teaching elementary students. This placement is attached to the required course, CEE 532 Early Child/Elem Sch Curric, on the required program of study course checklist. In this experience students will demonstrate, analyze, and assess how they make an impact on P-12 student learning. In this experience, candidates should apply coursework in the classroom/school settings, analyze student learning, and reflect on their practice in the context of theories on teaching and learning. Specifically, candidates should demonstrate the impact on student learning that occurs through curricular changes and must address the following components:

- Undertaking a diagnosis of P-6 curriculum in connection with student learning
- Planning an appropriate sequence of instruction to advance P-6 student learning with graduate students and early childhood/elementary students using technology collaboratively and appropriately
- Conducting authentic assessments and documenting what student learning occurred/did not occur from these curricular changes impacting instructional practices
- Reflecting on required curricular components through research-supported arguments and ideas

The Office of Clinical Experiences requires documentation of the 15 hours in the student documentation online portal with approval of the minimum of 15 hours from the student’s supervisor (cooperating teacher/
Students are expected to complete a project in relation to the above standards connected to the 15 hours of placement. Students are required to complete that project focused on Student Learning Outcomes. The Technological Curriculum Project in CEE 532 Early Child/Elem Sch Curric serves as this key assessment and passing that project at the Developing Level or higher on the Collegewide Rubric is necessary for a passing grade in the course and for graduation with the A certificate. Students cannot pass the course without scoring at the developing level or higher on the Collegewide Advanced Clinical Rubric.

**Alternative Class A Elementary (K-6) certification and Early Childhood (P-3) (Non-traditional, Initial Teacher Certification Program)**

Alternative Class A students are required to complete the practicum hours associated with the Block 1, Block 2, Block 3, and Block 4 courses: CEE 491, CEE 595, CEE 596, and CEE 597, including the EC pre-internship placement at the beginning of Block 3. CEE 597 serves as the culminating internship in two field placements.

**Non-Certification Overseas Program for Elementary Education, MA**

OIP students are not required to complete practicum hours as this degree is not associated with certification; however, many course assignments are assigned in connection with experiences of the graduate students when working in the field with elementary ages.

**TEACHING INTERNSHIP REQUIREMENTS (Alternative Class A program)**

The teaching internship (formerly called student teaching) is one of the most important experiences College of Education students have. It is generally regarded as the culminating activity of one's preparation to become a teacher. At The University of Alabama, the internship is a full-semester, full-time assignment and must be taken in residence.

Students must file internship applications with the Office of Clinical Experiences during the semester preceding the semester of the planned internship. The application process begins by attending a mandatory application session, which is held the first Wednesday in October for spring-semester interns and the first Wednesday in March for fall-semester interns. The time, date, and place of the application session are announced at the beginning of each semester. The deadline for filing applications for a spring-semester internship is October 31; for a fall-semester internship the deadline is March 31.

Students may apply to enroll for an internship if they meet the following criteria:

- The student must have completed all courses in the major or majors, or must secure written permission to enroll for an internship from the appropriate department head.
- The alternative master's student must show proof of a passing score on the appropriate Praxis assessments.
- The student must have achieved a minimum grade point average of 3.0, both for all University of Alabama courses attempted and for all University of Alabama courses and transfer courses combined.
- The student must have achieved a minimum grade point average of 2.75 in each major, both for University of Alabama courses and transfer courses combined.
- The student must have achieved a minimum grade point average of 2.75 for professional education coursework.
- The student must have completed all methods courses and appropriate professional coursework with grades of "C" or better.
- The student must have removed from the transcript any grade of incomplete ("I") recorded in required courses; grades of incomplete are treated as grades of "F."

Alternative master's students are required to register for the number of internship credit hours specified by their program. In some programs, students may be allowed to choose a 6-hour registration or a 9-hour registration; course requirements are the same whether 6 hours or 9 hours are taken. Graduate students whose program requires two internship placements should register for two sections of internship (3 hours per section or 4.5 hours per section). Students enrolled for internship must not expect to be enrolled in other courses while interning.

All internship placements are coordinated by the College of Education Office of Clinical Experiences. Placement sites are selected to ensure the quality of the internship experience and of the supervision provided by the cooperating teacher. All internship placements are in the greater Tuscaloosa area in order to facilitate supervision of students by University of Alabama faculty or other designees of the department heads. Placements outside the greater Tuscaloosa area are made only if the director of clinical experiences and/or the department head determines that an appropriate local placement is unavailable.

With approval, a candidate admitted to an Alternative Class A program who is employed in an Alabama school may complete the internship in the candidate's classroom if the candidate holds a valid Interim Employment Certificate (IEC) for the appropriate teaching field and assignment.

Students may apply for overseas internships if they meet certain criteria and if appropriate placements can be coordinated by the Consortium for Overseas Student Teaching (COST) and/or The University of Alabama. Applications for overseas internships are taken during January for placements for the next fall semester, and in May for placements the succeeding spring semester. Contact the Office of Clinical Experiences for additional information.

- Early Childhood (P-3rd grade) interns will receive two internship placements in two of the following age ranges: birth-3 years of age, 3-5 years of age, 5-8 years of age.
- Elementary education (K–6) interns will receive a placement in lower elementary (grades K-3) and upper elementary (grades 4-6) unless substantial field experiences are required and completed at both levels.

**Plan II - Non-Thesis Process Requirements**

MA, Alt MA, and OIP MA students are required to complete an electronic portfolio at three checkpoints in their master's program. Students are assessed for progress at Checkpoints #1, #2, and #3 in their requisite Electronic Portfolio. Passing at the Developing Level or higher on the Electronic Portfolio and Dispositions Rubrics is required for moving forward in the program at Checkpoints #1 and 2 and for graduation at Checkpoint #3. Checkpoint #3 in the Electronic Portfolio must be completed with assessor approval for graduation.

**Time Limit for Degree Completion**

Graduate School information on Time Limits.

**Student Progress Requirements**

**Traditional Class A Elementary Education (K-6)**
Students are monitored for progress at Checkpoints #1, #2, and #3 in their requisite Electronic Portfolio. Passing at the Developing Level on the Electronic Portfolio and Dispositions Rubrics is required for moving forward in the program at Checkpoints #1 and #2 and for graduation at Checkpoint #3.

Students who cannot meet the following requirements could be dismissed for lack of satisfactory progress:

- maintain the required 3.25 graduate GPA, and/or
- pass all courses with allowance of one retake with a level of B or higher and/or
- complete the 15 hours of advanced clinical practicum with supervisor approval and/or
- pass their Technological Curriculum Project (CEE 532) Advanced Clinical Placement Assignment at a level of C or higher and/or
- pass their Advanced Clinical Placement Collegewide Rubric at a developing level or higher and/or
- complete their Electronic Portfolio at Checkpoints #1, #2, and #3 at the developing level or higher

**Alternative Class A Elementary (K-6) certification and Early Childhood (P-3) (Non-traditional, Initial Teacher Certification Program)**

Students are monitored for progress at Checkpoints #1, #2, and #3 in their requisite Electronic Portfolio. Passing at the Developing Level on the Electronic Portfolio and Dispositions Rubrics is required for moving forward in the program at Checkpoints #1 and #2 and for graduation at Checkpoint #3.

Students who cannot meet the following requirements could be dismissed for lack of satisfactory progress:

- maintain the required 3.25 graduate GPA, and/or
- pass all courses with allowance of one retake with a level of B or higher and/or
- complete the clinical placement requirements of practicum hours and internship with supervisor approval and at a level of B or higher and/or
- complete their Electronic Portfolio at Checkpoints #1, #2, and #3 at the developing level or higher

**Non-Certification Overseas Program for Elementary Education, MA**

Students are monitored for progress at Checkpoints #1, #2, and #3 in their requisite Electronic Portfolio. Passing at the Developing Level on the Electronic Portfolio and Dispositions Rubrics is required for moving forward in the program at Checkpoints #1 and #2 and for graduation at Checkpoint #3.

Students who cannot meet the following requirements could be dismissed for lack of satisfactory progress:

- maintain the required 3.25 graduate GPA, and/or
- pass all courses with allowance of one retake with a level of B or higher and/or
- complete their Electronic Portfolio at Checkpoints #1, #2, and #3 at the developing level or higher

**Additional Academic Requirements**

For the Alternative Class A program, passing scores on the appropriate Praxis subject assessments and Foundations of Reading 190 are required.

**Electronic Learning Management System Requirement**

A designated, electronic learning management system is required of all students in programs leading to professional educator certification.

**Academic Misconduct Information**

Graduate School information on Academic Misconduct.

**Withdrawals and Leave of Absence Information**

Students who have been inactive in their progress toward degree requirements for more than an academic year must submit the following items to gain readmittance to the graduate program:

- a written request to re-enter the program
- an explanation (if possible) of why the student left
- a plan for meeting success if allowed to re-enter

Faculty permission is required for reentry upon evaluation of these requirements.

Graduate School information on Withdrawals and Leave of Absence.

**Academic Grievances Information**

Graduate School information on Academic Grievances.

**Grades and Academic Standing**

**Traditional Class A Elementary Education (K-6)**

As required for Class A certification, candidates must present a GPA of at least 3.25 on all courses in the program, with no grade below a "C." Credits over 6 years old may not be used for degree purposes, and credits used for the previous Class B certificate may not be used for this program.

**Alternative Class A Elementary (K-6) certification and Early Childhood (P-3) (Non-traditional, Initial Teacher Certification Program)**

As required for Alternative Class A certification, candidates must present a GPA of at least 3.25 on all courses in the program, with no grade below a "C." Credits over 6 years old may not be used for degree purposes.

**Non-Certification Overseas Program for Elementary Education, MA**

Candidates must present a GPA of at least 3.25 on all courses in the program, with no grade below a "C." Credits over 6 years old may not be used for degree purposes.

Graduate School information on Grades and Academic Standing.

**Graduate School Deadlines**

Information on Graduate School Deadlines.

**Application for Graduation**

Information on the Application for Graduation.

**Certification**

The Alabama State Department of Education issues Class A professional educator certification in Elementary Education (K-6). The Associate Dean for Student Services in the College of Education has been designated as the teacher certification officer for the University. Students who need information about or assistance with certification should consult the associate dean for student services.

To be eligible for Class A certification, candidates must hold appropriate prerequisite certification OR complete an Alternative Class A program and must successfully complete all requirements for the MA degree in the chosen program as described in this catalog, including a comprehensive
assessment, state assessments (if applicable), and the Praxis subject assessment(s). It is important to note that the awarding of a master's or higher degree does not necessarily imply that the student is eligible for Class A certification.

To be awarded Alabama Class A Elementary (K-6) certification, students must:

- maintain a GPA of at least 3.25 on all courses with no grade below a C
- earn a passing score on a comprehensive assessment
- hold valid, prerequisite Alabama Class B Elementary certification OR complete an Alternative Class A program
- earn a passing score on the required Praxis subject assessment(s) 
  (Alternative Class A)
- complete an application for certification through the Alabama State Department of Education

Students must complete the proper application form for Alabama certification. Forms are available online through the Alabama State Department of Education. Applications should be submitted to Student Services in 104 Carmichael Hall during the student's last semester. A student who does not apply for professional certification within 60 months after completing the state-approved program will be required to meet the current program.

According to Alabama regulations, individuals admitted to a Class A program based on a professional educator certificate from another state must earn the prerequisite Alabama certification before applying for Alabama Class A (master's level) certification.

Students who plan to seek employment in other states must secure the proper professional licensure application forms from those states’ departments of education. Students planning to teach outside the state of Alabama are responsible for knowledge about professional licensure requirements in those states.

The certification programs of the department have been designed to fulfill current requirements of the Alabama State Department of Education. The state requirements change from time to time and, accordingly, the department's requirements and programs are subject to change.

The Overseas program does not lead to professional certification.
