ELEMETARY EDUCATION, MA

Traditional Class A Program
The department offers a traditional Class A program for those with appropriate prerequisite certification in Elementary Education (or an approved equivalent). This program leads to Alabama Class A certification in Elementary Education (K-6).

Alternative Class A Program (Nontraditional, Initial Teacher Certification)
The department offers an Alternative Class A program that does not require prior certification in a teaching field. This program leads to Alabama Class A certification in Elementary Education (K-6) and Early Childhood (P-3) and is designed to allow individuals with undergraduate degrees in non-teaching fields to enter the field of education.

The Graduate Catalog is published annually. State-approved program checklists may be updated more frequently and are thus likely to provide the most up-to-date information about requirements. A current program checklist may be obtained from the program office in 204 Graves Hall. Students should consult their advisors each semester before registering.

Traditional Class A Elementary (K-6) Certification

Admission Requirements
In addition to meeting admission requirements for the Graduate School and the College of Education, applicants must hold appropriate prior certification in Elementary Education (or the approved equivalent). An entrance exam score (at least 300 on the GRE or the 50th percentile or above on the MAT) is needed for regular admission. Fingerprinting/background clearance is also required for admission.

Admission requirements for the Graduate School (Admission Criteria) and the College of Education (General Admission) are detailed in earlier sections of this catalog.

See the Admission Criteria section of this catalog for more information.

Degree Requirements
This course listing applies to those who begin this program June 1, 2019, or thereafter. Candidates earning graduate credit prior to this date may elect to utilize this program. A minimum of 30 hrs of course credit must be earned, and a comprehensive assessment must be successfully completed. An extensive professional portfolio, to be completed by candidates, will be used as a comprehensive assessment in lieu of a comprehensive exam. Candidates must present a GPA of at least 3.25 on all courses in the program, with no grade below a C.

The Graduate Catalog is published annually. State-approved program checklists may be updated more frequently and are thus likely to provide the most up-to-date information about requirements. Students should consult their advisors each semester before registering. A current program checklist should be obtained from the program office in 204 Graves Hall. Students may not count more than six hours in certain seminar/workshop/problems courses toward the completion of the degree. A maximum of 12 hours of transfer credit, if approved by the student's advisor, may be applied toward the degree. Students should see their advisors regarding which courses are appropriate for transfer credit.

Additional requirements of the Graduate School and the College of Education are detailed in other sections of this catalog.

Certification
The Alabama State Board of Education grants Class A professional educator certification in Elementary Education (K-6). To be eligible, candidates must hold appropriate prerequisite certification and must complete all requirements for the MA degree in the chosen program as described in this catalog, including a comprehensive assessment, state assessments (if applicable), and the Praxis subject assessment(s). According to Alabama regulations, individuals admitted to a Class A program based on a professional educator certificate from another state must earn the prerequisite Alabama certification before applying for Alabama Class A (master's level) certification.
Alternative Class A Elementary (K-6) certification and Early Childhood (P-3) (Nontraditional, Initial Teacher Certification Program)

Admission Requirements

An entrance exam score (at least 300 on the GRE or the 50th percentile or above on the MAT) is needed for regular admission.

Admission requirements for the Graduate School (Admission Criteria) and the College of Education (General Admission) are detailed in earlier sections of this catalog.

For admission to the Alternative Class A (non-traditional) program in elementary education, applicants must meet the following requirements:

- **Transcript evaluation**: Applicants should contact the Office of Student Services & Certification for a transcript evaluation to determine prerequisite courses.
- **Degree requirement**: An appropriate bachelor’s degree from a regionally accredited institution with a minimum overall GPA of 2.75 OR a master’s degree with a GPA of at least 3.0 is required.
- **Assessment of basic skills**: Passing scores on the Praxis Core Academic Skills for Educators Tests of mathematics, reading, and writing are required. Information about the Praxis Core tests is available online at https://www.ets.org/praxis/about/core/ or in the Office of Student Services & Certification (104 Carmichael Hall).
- **General Studies and Teaching Field**: For Alternative Class A in Elementary, applicants must have completed 12 credit hours of English Language Arts and earn passing scores on all subtests of Praxis 5901—Elementary Education: Three Subject Bundle.
- **Fingerprinting/background clearance**

Degree Requirements

This course listing applies to those who begin this program June 1, 2019, or thereafter. Candidates earning graduate credit prior to this date may elect to utilize this program. A minimum of 40 semester hours of specific graduate credit plus some undergraduate prerequisites are required for certification. The program of study must be planned with an advisor. Candidates must present a GPA of at least 3.25 on all courses in the program, with no grade below a C, and a passing score on a comprehensive assessment is required. The extensive professional portfolio completed by candidates will be used as a comprehensive assessment in lieu of a comprehensive exam.
