Academic Grievances Information

Student Complaint Procedures

Step 1. (optional) Student raises the issue of concern with the faculty member involved and tries to resolve the concern to the satisfaction of both parties. If the student is not comfortable with taking this first step, the student may proceed to Step 2.
Step 2. If the first Step is taken, and no resolution is found, the student may file a formal complaint or grievance with the Department Head and offer any documentation in support of the grievance. As indicated above, the student may also start the grievance process with a formal complaint to the Department Head. Once in receipt of the complaint, the Department Head is expected to work with the two parties to find a resolution to the mutual satisfaction of the parties. The Department Head is also expected to keep a documented record of the effort and to forward all documentation, as it pertains to the complaint, to the Senior Associate Dean if the complaint remains unresolved. Step 2 should take no longer than two weeks.

Step 3. Should the problem remain unresolved, the complaint (and all the accumulated documentation) is forwarded to the Senior Associate Dean to come under University grievance policies as outlined in the University’s Faculty Handbook. The Senior Associate Dean then investigates the grievance, surveys the documentation pertaining to the case and provides a summary and a recommendation to the Dean. The Dean then renders a final decision. This final Step should not take any longer than two weeks.

Step 4. If the student is not satisfied with the decision offered by the Dean, the student may appeal to the Office of Academic Affairs.
