

# MUSIC PERFORMANCE, BM

Students entering this program should have a strong background in music. This should include performance experience with a specific instrument or voice type.

## Admission into the Major

All students must pass an audition in order to declare a music performance major. To schedule an audition, students must fill out a separate application to the School of Music, which is available online at <https://music.ua.edu/apply-audition/undergraduates/undergraduate-audition-request/>.

Auditions typically take place between January and March prior to fall enrollment. Upon successful audition, students are expected to declare a major formally no later than the fourth semester of full-time enrollment (or at 61 semester hours for transfer students). Students can declare a major by completing the Change of Major/Minor Application online under the Student tab of myBama.

Students earning the bachelor of music (BM) degree with a major in performance must complete all University, College and departmental degree requirements. These include the general education requirements, the following major requirements and other sufficient credits to total a minimum of 131 applicable semester hours.

## Grade Point Average

A 2.0 grade point average in each major is required for completion of the degree. Please see the Grades and Grade Points section of this catalog for an explanation on grade point average calculations.

## Upper-level Residency

A minimum of 12 hours of 300- or 400-level courses in the major must be earned on this campus.

## Ancillary Courses

Grades in ancillary courses are not computed into the major GPA.

## Required Minor

The music performance major does not require the completion of a minor.

## Additional Major Requirements

MUS 121 Intro To Listening does not satisfy the fine arts (FA) general education requirement for music majors. All music performance majors must earn a minimum of 33 hours of 300- or 400-level courses. To be admitted to the performance major in voice, students must complete the general admission requirements of the School of Music, including an audition program that includes a demonstration of the potential understanding of the classical vocal style (i.e., classical art songs sung in English and/or foreign languages). The foreign language requirement must be met with specific courses determined by placement examinations; students should consult the voice adviser for details.

Students are responsible for ensuring that they have met all University, College, major and minor requirements. However, each student must meet with an adviser in the major department for academic planning and to be approved for registration each semester. College advisers are also available for additional assistance with minor, College and University requirements.

## Tracks

The major in performance culminates in a bachelor of music (BM) degree and requires the successful completion of one of the following six tracks:
