Grade Point Average

A 2.0 grade point average in the minor is required. The minor GPA is calculated based on all courses applicable to the minor that the student has attempted at UA.

Upper-level Residency

For A&S majors, a minimum of three hours of 300- or 400-level courses in the minor must be earned on this campus.

Additional Minor Requirements

Cyber Security majors are not eligible for the computer science minor. Students are responsible for ensuring that they have met all University, College, major and minor requirements. However, each student must meet with an adviser for the major department for academic planning and to be cleared for registration each semester. College advisers are also available for additional assistance with minor, College and University requirements.
